Waivers and Information

WAIVER NAME	DUE DATE	FOR	SIGNING STATUS
Resident Lifestyle Group	Jan 17, 2024	Leslie Sanford	Waiver Signed by: Leslie Sanford on Aug 9, 2022

Due to the popularity and volume of activities offered by our resident lifestyle volunteer groups, the recreation department is unable to provide storage for clubs within the recreation facilities, either on a temporary or permanent basis. All items must be brought in and taken out after each meeting.

Each recreation center offers a pre-determined inventory of equipment and supplies.

Any special needs or requests should be submitted 48 hours in advance by calling the recreation center where your meetings are held.

Resident lifestyle groups are volunteer and non-profit entities which sponsor activities, meetings and events separate from district operations, entities and functions. Requests for auxiliary aids for resident sponsored events should be directed to the resident contact listed on the facility permit. The resident contact shall determine the provisions for providing auxiliary aids on a case by case basis, determining whether the request would place an undue hardship on the resident lifestyle group.

Resident lifestyle groups are for residents and guests with valid ids only. Please have all members carry their Villages' id with them to all scheduled functions. Due to popularity resulting in high attendance at clubs/activities held at the recreation centers, residents are given priority. Eligible guest(s) participation in resident lifestyle clubs/activities may be limited due to facility space requirements. For information regarding peak participation and to review the guidelines visit [www.districtgov.org](http://www.districtgov.org).

All resident lifestyle volunteer leaders and participants are required to sign and adhere to the code of conduct. Violation of the code of conduct could result in loss of amenity privileges.

Groups are not to store any items in the recreation centers without prior approval from recreation department.

Resident support groups that are recognized through the American Medical Association qualify to have a maximum of ten (10) non-qualified guests attend their meetings. Sign in sheets and rosters will be maintained and provided to the recreation department by the resident group
